AZ CORP COMMISSION
DOCKET CONTROL

IN THE MATTER OF THE APPLICATION OF
SEMPRA ENERGY SOLUTIONS FOR
APPROVAL OF A CERTIFICATE OF
CONVENIENCE AND NECESSITY FOR
COMPETITIVE RETAIL ELECTRIC SERVICES.

DOCKET NO. E-03964A-06-0168

**STAFF'S MOTION FOR EXTENSION
OF TIME**

Arizona Corporation Commission Staff ("Staff") hereby requests an eight-day extension of time in which to file its testimony in the above-captioned matter. Staff's testimony is currently due on June 11, 2007. Staff requests an extension until June 19, 2007.

This matter presents policy issues that are not common to most CC&N proceedings. Because this case concerns the first competitive CC&N application filed since the Court of Appeals' opinion in *Phelps Dodge*, it raises additional issues that would not ordinarily be present. The analysis of these additional issues has taken longer and required more resources than Staff had anticipated. For these reasons, Staff requests an extension.

Staff notes that, if this extension is granted, it may be appropriate to grant a corresponding extension to the timeline for filing intervenor testimony. Although the remaining procedural timelines would not necessarily appear to require a similar extension, Staff would nonetheless not object to extending those deadlines accordingly, if any of the parties so desire.

For the foregoing reasons, Staff requests an extension of its filing deadline in this matter from June 11, 2007 until June 19, 2007.

RESPECTFULLY submitted this 8th day of June, 2007.
